Interior IDs

All images are Copyright 2009-2011 Darryn McTavish. Authorised use only.

Some quick points to consider.

24/7s: they are all the same design, just different shapes.

Tattoo parlours: All the same

Secret valley diner: No solid areas unfortunately

Police Depts, crack factory, casino basement, meat factory, jefferson motel, planning dept, area51 and Liberty city are much larger areas than shown. All great fun to explore.

Most interiors are buggy and have non-solid floors, so check them out before using any. I may add a new column to say if its a complete interior or not.

Thanks to [Spectre](#) and [BeckzyBoi](#) for their interior tours scripts. Without them this would have been near impossible.
